Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Community-based transmission continues to occur in the State and has been identified in all counties. Of those with complete risk information, most of the cases have either had close contact with a person with a confirmed COVID-19 diagnosis or are associated with an outbreak setting.

DHHS has also announced four additional deaths related to COVID-19. We offer our sympathies to the family and friends.
